

GOVERNOR MUST NAME LOCATION

Letter From Adjutant General Says
Creation of New Regiment By
Legislature is Needed.

Considerable interest has been centered about the authorization of a company of state militia for Vinita, and from the following letter from Adjutant General Frank M. Canton, there is very small prospect of a company being located here in the near future:

Mr. John A. Wise, Secretary,
Vinita Commercial Club,
Vinita, Oklahoma.

My Dear Sir: Your favor of the 30th of November is just received, and I would respectfully state in reply that we have no vacancy at present in the national guard. The last company to be organized was the company at McAlester. I have had the application for a company from your people on file for a long time and I assure you that I would be very much pleased to give you a company at Vinita, but the governor, who is commander-in-chief of the national guard is the man who names the location for each company. Had I the choice in this matter, or the authority to name the place where the companies should be located, you would have had a company before this time. I have talked to the governor several times about organizing a company at Vinita as soon as we can do so and he seems to be in favor of it but we are only authorized to organize one regiment of twelve companies. I don't know what this coming session of the legislature will do. They may allow us another regiment. In that case, I would recommend that the first company be mustered in at Vinita. However, I will file your letter and remember this matter and if we have occasion to muster out other companies I will urge the governor to give you a company at Vinita.

Yours very respectfully,

F. M. CANTON,
Adjutant General.

COMPROMISE NOW SEEMS CERTAINTY

Bill Providing for Sale of Section of
School Land is Introduced
in Senate.

Oklahoma City, Okla., Dec. 8.—The proposed compromise between the administration and the state senate was started yesterday when Governor Haskell, in a special message to the legislature, recommended the sale of a section of school land three miles north of the city to be converted into a capitol site following its sale.

A bill was introduced to that effect. The bill provides that the land shall be reappraised and offered for sale at once to the highest bidder. It is contemplated that an Oklahoma City corporation shall be organized, which will buy the land and convert it into lots to be sold to raise money to insure the of a free capitol.

Senator Thompson tomorrow will introduce another bill providing for the location of the permanent capital at Oklahoma City.

Another message from the governor recommended the appointment of a joint committee of the two houses to ascertain the approximate amount of money necessary to be appropriated for the several state institutions.

A memorial to congress was introduced in the house urging "adequate and immediate remedial legislation for the Five Civilized Tribes."

IN MEMORIAM.

To the memory of Dr. A. M. Clinkscapes, died November 17, 1910. Written by Mrs. W. B. Crawford.
Dear friend of ours, who art no more,
Passed from the world and here,
Dear friend, crossed to that other shore
Still, still, we feel thee near.

Dear friend, it seems thou canst not be
Forever past recall;
Our love, our joys must flow to thee
Through death's thin, porous wall.

Dear friend, who warmly for us cared,
Who gave to us thy beat,
Who in our joys and sorrows shared,
Ah, well thou'st earned thy rest!

Dear friend, across the bridgeless sea,
Thou'st reached the farther shore;
And there some day we shall find thee,
Find thee and part no more!

Commissioner Approves Bond.
